> Dear Dr. Smith:  
>  
> I am writing to update you on the status of your submission to Environmental Health Perspectives (EHP). The Associate Editor for your paper has recommended that it be accepted for publication. Your paper will now undergo a final internal review, which is a standard practice for all papers recommended for publication in EHP.  
>  
> Occasionally this final review identifies serious concerns that might prevent acceptance. It is far more likely, however, that you will receive an email in the next 6–10 weeks indicating that your paper has been provisionally accepted pending your response to requests for clarification, minor editorial suggestions, and/or formatting corrections (if needed based on our final review).  
>  
> We will contact you promptly once our internal review is completed. In the meantime, feel free to contact me if you have any questions or concerns.
